Acreage with Good County Road Frontage & Mountain Views Mosca, CO / Alamosa County

PROPERTY DESCRIPTION

Alamosa County, CO 80

This 80-acre parcel offers panoramic views of the Sangre de Cristo Mountains and is only a short distance to Alamosa, CO. With level terrain and good year-round access via county-maintained roads on two sides, the land is well-suited for a variety of uses including a potential building site, mountain retreat, or long-term investment. Electricity is located along both county roads making for great future development opportunities. Hooper Lateral runs through the NW corner of the property. Local wildlife travel through the area enhances its appeal for those seeking a place away from the hustle/bustle of the city and a connection to nature. Located less than 2 miles from the Alamosa Solar Generating Plant there might be potential for renewable energy in the future for the investor-minded buyer. Great Sand Dunes National Park is within easy reach and is only 21 miles away. With its affordable cost, usable land, and mountain views, this property is a rare find in the San Luis Valley. DISCLAIMERS

Information in this brochure is provided solely for information purposes and does not constitute an offer to sell or advertise real estate outside the states in which broker or agent licensed. The information presented has been obtained from sources deemed to be reliable, but is not guaranteed or warranted by the agent, broker, or the sellers of these properties. This offering is subject to errors, omissions, prior sale, price change, correction or withdrawal from the market without notice. All references to age, square footage, income, expenses, acreage, carrying capacity, and land classification, etc. are approximate. Prospective buyers are chargeable with and expected to conduct their own independent investigation of the information and the property and to rely only on those results. Sellers reserve the right to accept or reject any and all offers without liability to any buyer or cooperating broker.

Maps are provided for illustration purposes only, the accuracy is not warranted. Parcels on interactive maps are not adjusted to match aerial backgrounds. This information is for reference purposes only and is not a legal document. Data maps contain errors. The seller and seller's agent are making known to all potential buyers that there may be variations between the location of the existing fence lines and the legal description of the deeded property. Seller and seller's agent make no warranties with regard to the location of the fence lines in relationship to the deeded property lines, nor does the Seller make any warranties or representations with regard to the specific acreage contained within the fenced property lines. Seller is selling the property in an "as is" condition, which includes the location of the fences as they exist. Boundaries shown on the accompanying maps are approximate, based on county parcel data. The maps are not to scale. The accuracy of the maps is not guaranteed. Prospective buyers are encouraged to verify fence lines, deeded property lines and acreages using a licensed surveyor at their own expense.
