

2 Acres & Home, Eastland County

This 2-acre property has so much potential! A 2-bedroom 1 bath brick home is waiting for the right person to make in new! Could possibly be a 3 bedroom. There is a metal storage shed as well as a huge, covered metal (approximately 65 x 75) and fenced structure for animals, hay, equipment or RV cover. There are 2 water wells on the property that need pumps on them. West Bound water line is on the property and just needs a meter. Huge Post Oak trees provide ample shade. So many possibilities here from a rental, commercial or investment property. Priced to sell! No restrictions!
