## 53-Acre Switzerland County Paradise | Home, Barn, Tillable Ground, Ohio River Frontage & Private Boat Ramp Vevay, IN / Switzerland County

---

### PROPERTY DESCRIPTION

#### Overview

Welcome to one of **Switzerland County's** most unique and versatile properties. Nestled across **53 breathtaking acres**, this completely rebuilt home offers the perfect blend of comfortable living, working farm infrastructure, outdoor recreation, and stunning **Ohio River frontage**. Whether you are looking for a **full-time residence, weekend retreat, hunting getaway, or working farm**, this property checks every box. Just imagine sitting on your front porch enjoying a cup of coffee while you watch the sunrise over the river .

#### The Home

This is not your average remodel. In **2022**, this home was completely stripped down to the brick and entirely **rebuilt from the ground up**. Every detail was carefully thought out and executed with quality in mind. At approximately **2,415 square feet**, the home features **1 bedroom, 1 full bath, and 2 half baths** with plenty of room and potential to expand. A **shower drain is already in place**, making it easy to convert to a second full bath with minimal effort. Off the master bedroom sits a wonderful **all-season room** complete with a **wood stove**, perfect for enjoying the views and scenery year round. The large **game room and bar** area features a **Murphy bed** already in place, making it ideal for entertaining guests or hosting hunting buddies. Enjoy the outdoors from the large **front porch**, unwind at the **beautiful fire pit**, or relax on the **screened-in back deck**.

#### Systems and Mechanicals

One of the standout features of this property is the exceptional attention to **air and water quality** throughout the home. The HVAC system includes a **whole house humidifier** and a **UV light air filter**, along with an **ERV system** that continuously monitors and exchanges fresh air throughout the home. The water system features a **UV light filter** on the water line, as well as a **reverse osmosis water filter**, ensuring clean and pure drinking water straight from the tap. A **Generac natural gas whole house generator** provides peace of mind, keeping the home fully powered during any outage. A **brand new well** was installed in **2026**, rounding out an incredibly well thought out and reliable infrastructure package.

#### Farm Infrastructure

This property is well equipped for the working farmer or hobby enthusiast with **three barns** on site. The impressive **38x68 pole barn** received **all new metal in 2021**, keeping it in excellent condition for years to come. It provides massive space for **equipment storage or workshop use**. There is a small block barn and a corn crib that could make great storage area or workshop. The **corn crib** also received a **new roof**, adding to the list of recent updates and improvements across the property.

#### The Land

The property is divided perfectly for both function and recreation. The side with the home and barns is roughly 26 acres. The wooded acres is steep but has great potential to shoot mature deer. Just look at a few shed antlers the owner has found. There is a nice quad trail that runs up the side of the property back to the small pond.

#### Tillable Ground and River Frontage

Across the street, the remaining **27 acres** truly shine with some of the most valuable and rare features this property has to offer. The **27 acres of tillable ground** is currently being cash rented. Perhaps the crown jewel of the property is the remarkable **1,500 feet of Ohio River frontage**, offering breathtaking views and direct water access that is nearly impossible to find. A **private boat ramp** allows you to launch your boat anytime without the crowds or fees of a public ramp, making this an absolute dream for **boaters and fishermen** alike.

#### Final Thoughts

Properties like this simply do not come around often. With a home **completely rebuilt in 2022**, approximately **2,415 square feet** of living space, **top of the line air and water systems**, a **whole house generator**, multiple barns with recent updates, **27 acres of productive tillable ground**, **26 acres of wooded hunting terrain**, **1,500 feet of Ohio River frontage**, and a **private boat ramp**, all wrapped up in **53 stunning Switzerland County acres**, this is truly a **once-in-a-lifetime opportunity**. Schedule your **private showing** today before this one is gone. **Land Specialists:**

## **DISCLAIMERS**

Information in this brochure is provided solely for information purposes and does not constitute an offer to sell or advertise real estate outside the states in which broker or agent licensed. The information presented has been obtained from sources deemed to be reliable, but is not guaranteed or warranted by the agent, broker, or the sellers of these properties. This offering is subject to errors, omissions, prior sale, price change, correction or withdrawal from the market without notice. All references to age, square footage, income, expenses, acreage, carrying capacity, and land classification, etc. are approximate. Prospective buyers are chargeable with and expected to conduct their own independent investigation of the information and the property and to rely only on those results. Sellers reserve the right to accept or reject any and all offers without liability to any buyer or cooperating broker.

Maps are provided for illustration purposes only, the accuracy is not warranted. Parcels on interactive maps are not adjusted to match aerial backgrounds. This information is for reference purposes only and is not a legal document. Data maps contain errors. The seller and seller's agent are making known to all potential buyers that there may be variations between the location of the existing fence lines and the legal description of the deeded property. Seller and seller's agent make no warranties with regard to the location of the fence lines in relationship to the deeded property lines, nor does the Seller make any warranties or representations with regard to the specific acreage contained within the fenced property lines. Seller is selling the property in an "as is" condition, which includes the location of the fences as they exist. Boundaries shown on the accompanying maps are approximate, based on county parcel data. The maps are not to scale. The accuracy of the maps is not guaranteed. Prospective buyers are encouraged to verify fence lines, deeded property lines and acreages using a licensed surveyor at their own expense.
