DECLARATION OF RESTRICTIVE COVENANTS

THE STATE OF TEXAS §
 §
COUNTY OF COLORADO §

THIS DECLARATION OF RESTRICTIVE COVENANTS (the "Declaration") is made this 20th day of September, 2024, by Staco, LLC, a Texas limited liability company ("Declarant").

RECITALS:

Declarant is the owner of real property in Colorado County, Texas, which is more particularly described in the attached Exhibit "A" (the "Property").

Declarant desires to impose upon the Property certain covenants, conditions, and restrictions to run with the land.

Declarant further desires to establish a mutual access and utility easement for the use and benefit of all parties having any right, title, or interest in or to the Property or any part of it, including but not limited to any purchaser, grantee, owner, lessee, tenant, or occupant of all or any part of the Property or improvements located on it, their heirs, successors, and assigns.

It is declared that (a) all of the Property will be held, sold, conveyed, and occupied subject to the provisions of this Declaration, which will run with the Property and be binding on all parties having any right, title, or interest in or to the Property or any part of it, including but not limited to any purchaser, grantee, owner, lessee, tenant, or occupant of all or any part of the Property or improvements located on it, their heirs, successors, and assigns, and (b) each contract, deed, license, lease, or other occupancy agreement that may be executed with regard to the Property or any portion of it will conclusively be held to have been executed, delivered, and accepted subject to the provisions of this Declaration, regardless of whether they are set forth or referred to in that contract or deed.

SPECIFIC AGREEMENTS AND RESTRICTIONS

1. **Recitals Incorporated.** The above recitals and all of the terms defined in them are incorporated into this Declaration for all purposes.

2. **Definitions.** The term "Owner" means, individually, and the term "Owners" means, collectively, Declarant and all future owners of the fee interest of any portion of the Property (whether the fee interest is obtained through a purchase from Declarant or through a purchase at a

foreclosure sale or trustee's sale or through a deed in lieu of foreclosure) and their successors and assigns.

3. Use Restrictions and Requirements. The following Use Restrictions and Requirements will be imposed on the Property:

- (a) No manufactured homes, single wide homes, double wide homes, prefabricated homes or the like shall be placed, constructed, erected or stored in the Property. Only new construction "stick built" housing, including Barndominiums, shall ever be built, constructed, or utilized on the Property.
- (b) No further subdividing of the Property in any manner shall be allowed or permitted.
- (c) Except for agricultural businesses, which shall be permitted, no professional business or commercial or industrial activity shall be constructed or operated upon the Property, except an owner may conduct business activities within a residence so long as: (i) the existence of the operation of the business activity is not apparent or detectable by sight, and (ii) the business activity is consistent with the residential character of the Property and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of the neighboring properties.
- (d) No cutting down or harvesting of any living tree more than twelve inches (12") in diameter unless it is within an engineered and platted pad site for a barn or home.
- (e) No development or improvement of the Property shall result in any drainage or outfall issues onto a neighboring Property. If issues do occur they shall be addressed and corrected at the cost of the developing Owner within thirty (30) days of the issue being observed.
- (f) No sand or gravel may be mined, removed, or sold from the Property. No sand or gravel may be used outside the boundaries of the Property upon which such sand and gravel is located.
- (g) No Property may be used or maintained as a dumping ground for rubbish or trash of any kind.
- (h) No Property may be used for the storage of abandoned or junk vehicles or junk of any kind.
- (i) All trash, garbage and other wastes shall be kept in sanitary containers and disposed of at least weekly.
- (j) Each Owner shall be responsible for disposing of all trash, garbage, and rubbish on such Owner's Property in a manner that complies with local, state and federal governmental rules and regulations.
- (k) Any activities on the Property that may endanger the health or safety of the Owner of the Property or unreasonably disturb the peaceful enjoyment of the Owner of a neighboring Property are prohibited.
- (l) No improvements or structures of any kind shall be constructed within fifty feet (50') of the Easement Area described on Exhibit "B" attached hereto and no structure or improvement of any kind shall be constructed within twenty-five feet (25') of the other three boundary lines of the Property.

4. Easement. There is by this Declaration created, for the benefit of the Owners, including their purchasers, grantees, lessees, tenants, occupant, or invitees, an easement on, across, over, and under all of the area described on Exhibit "B" (the "Easement Area") (i) for ingress and egress to the Property and (ii) for the purpose of installing, replacing, repairing, and maintaining

all utilities (including but not limited to water, wastewater, gas, telephones, electricity lines, and related appurtenances). By virtue of this easement, it will be expressly permissible for utility companies and other entities supplying utility service to the Property to install and maintain pipes, wires, conduits, service line, or other utility facilities or appurtenances on, above, across, and under the Easement Area, so long as such utilities do not obstruct or in anyway interfere with access to the Property. The Easement Area shall remain free and clear of any obstructions of any kind, including but not limited to fences, gates, and cattle guards. The only gate allowed within the Easement Area is at the entrance located at the intersection of the Easement Area and Shaws Bend Road as described and shown on Exhibit "B", said gate being made part of the Easement Area. The cost and obligation of maintaining the Easement Area shall be borne equally by the Owners. The Owners, as well as their respective heirs, successors, and assigns, shall each be responsible for their individual pro rata shares of the cost to maintain the easement.

5. Enforcement. If any person, persons, corporation, or entity of any other character violates or attempts to violate the provisions of this Declaration, it will be lawful for any of the Owners (individually or collectively) to prosecute proceedings at law or in equity against the person, persons, corporation, or entity. Any action taken to enforce the restrictions set forth in this Declaration will be at the sole cost and expense of the party initiating the action. However, in any legal or equitable proceeding for the enforcement or to restrain the violation of this Declaration, the prevailing party must pay the reasonable and necessary attorney's fees of the non-prevailing party. All remedies provided in this Declaration or at law or in equity will be cumulative and not exclusive.

6. Partial Invalidity. If any part or provision of this Declaration is declared invalid, by judgment or court order, it will in no way affect any of the other provisions of this Declaration, and the remaining portion of this Declaration will remain in full effect.

7. Waiver. If at any time the Owners fail to enforce this Declaration, whether or not any violations of it are known, the failure will not constitute a waiver or estoppel of the right to enforce it.

8. Term. This Declaration, including all of its covenants, conditions, and restrictions, will be effective on the date this Declaration is recorded in the real property records of Colorado County, Texas, and will continue in effect for a period of fifteen (15) years, after which it will be automatically extended for successive periods of ten (10) years each, unless amended or extinguished as set forth in Section 8 of this Declaration.

8. Amendment; Extinguishment. This Declaration may be amended or extinguished only by a written instrument that is (a) executed by the owners of a two thirds (2/3) majority of the acreage area of the Property, and (b) filed and recorded in the real property records of Colorado, Texas.

9. Binding Agreement. This Declaration and all of its terms, provisions, and covenants run with the Property and will apply to, be binding on, and inure to the benefit of the parties and their respective heirs, executors, legal representatives, and assigns. When the context requires, singular nouns and pronouns include the plural.
