Water Availability has been approved for PIN 9628-89-3022 . The water meter will be located where the flag was placed, five feet off the pavement. A driveway or structure cannot be built where the meter will be located.

Please note that Water Availability is valid for 60 days after approval. This was approved on August 13, 2021. The tap and meter must be paid for within 60 days, otherwise the Water Availability would expire and would have to be repeated. The property must be addressed before the tap and meter can be paid for.

Thank you,
