PROPERTY DESCRIPTION

Offered at \$2,000,000, this 62.05± acre tract in Osceola County, Florida, features a custom residence by Built By Waters, a Winter Haven-based builder, complemented by stables and acreage for country living, equestrian pursuits, and outdoor recreation.

The home offers approximately 3,850 square feet of living space with three bedrooms, three bathrooms, and a dedicated office. A spacious central living area connects the kitchen and dining spaces, while expansive wraparound porches totaling approximately 2,688 square feet extend the living experience outdoors.

The primary suite features generous walk-in closet space, dual vanities, a freestanding tub, and a separate shower. Additional features include a kitchen island, walk-in pantry, and separate laundry room.

OFFERING SUMMARY

Sale Price:	\$2,000,000
Lot Size:	62 Acres

For avid hunters and wildlife enthusiasts, wild turkey, quail, and deer have been observed on the parcel, adding appeal for those seeking opportunities for hunting and wildlife viewing on their own land. Hunting opportunities are subject to applicable regulations and safe access conditions.

Available separately from the surrounding Hyatt Farms acreage, this parcel combines a custom home, stables, and recreational appeal in a rural Central Florida setting.
