

8.5+/- Acres (West) Eastland County

Nice small 8.5 + or - acre's just outside of Olden in Eastland County. Good Elevation Changes from the front to the back of the property. Which allows for a stunning view on the top of the hill and good location to build a house or cabin. Thick cover of Oak, Elm, Mesquite, and a few Cedars. Nice rock out cropping's on the back of the hill for exploring. Electricity is available and the owner said he would have a water meter installed. More property is available as this property is being split from a larger property. Pictures were taken summer of 2023.
