WELCOME TO THE PUTNAM 150

WELCOME TO THE PUTNAM 150, LOCATED JUST OFF OF I-40 IN THE HEART OF THE CUMBERLAND PLATEAU. This 150± acre Putnam County, TN tract has been enjoyed by the same family for nearly 50 years and is ready to pass it on to the next owners. The property is exactly what comes to mind when thinking of Middle Tennessee: beautiful rolling pasture, great timber, and wildlife at every turn.

The uniqueness begins as soon as you turn off Buffalo Valley Road. Access is through a 10' by 10' tunnel, which actually leads under the interstate, providing a sense of security and exclusivity. Currently, the property features three homes that are ready for new owners to make updates and add their personal touch. At the time of listing, the homes are rented and could continue to provide income on day one of ownership. With multiple other build sites and soil tests to go with it, this place could easily be turned into a spot that guests from around the country could come enjoy what Tennessee is all about. The Putnam 150 could be your self-sustaining compound you've dreamed of. Raise livestock, grow crops, and drink from one of your multiple springs on the property. Whitetail deer and wild turkey are also thriving here, as evident by the sign that was found.

**This is a once-in-a-generation farm...come see
for yourself to really grasp all it has to offer.
