

Rawland in the path of Development

Located Along East Palmdale Blvd. APN 3084-006-008

Large Vacant parcel of Land in the path of development. Located along Palmdale Blvd. with 668 feet frontage, 90% flat. An opportunity with so many possibilities-maybe a dream ranch or farm, tract homes or future commercial or industrial estate.

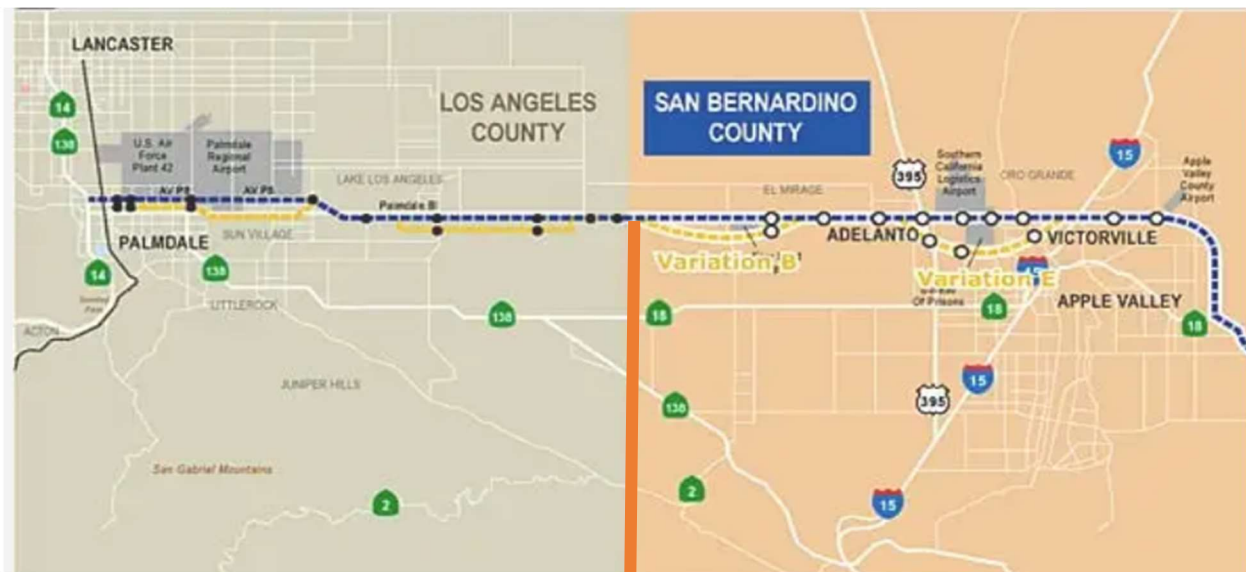

Future developments:

The High Desert Corridor (HDC) is a proposed multipurpose transportation route connecting Antelope Valley in Los Angeles County with Victor Valley in San Bernardino County. The first phase is a 54-mile high-speed rail project between the two fast growing regions.

The HDC is funded by the voter-approved Los Angeles County Measure M Expenditure Plan with nearly \$170 million in the current and near-term fiscal years as well as \$1.9 billion in later years (2063-2067) that could leverage federal, state, and private funds to construct the HDC High Speed Rail Project.

High Speed Rail Route

This project will benefit all the properties nearby. Just imagine, any project will become very viable in this area once this infrastructure is completed. A very good investment for buy and hold.

Asking Price : \$175,000.00

Terms : CASH Only
