115 Tanglewood Dr

This meticulously maintained & updated custom-built home in Timberwilde Subdivision seamlessly combines timeless elegance with modern functionality. The spacious kitchen boasts ample counter space, abundant storage, & a convenient wine refrigerator, perfect for entertaining. Step outside to the lush yard, nurtured by a well, & unwind on the covered porches. Indoors, luxurious comfort awaits with generously sized bedrooms, including a primary suite with dual walk-in closets. Thoughtful details like built-in bookshelves, charming window seats, & a versatile bonus room enhance both charm & practicality. The home features a family room with high ceilings and a beautiful fireplace, plus formal dining and living rooms. Nestled on a sprawling 9.39-acre property, this residence offers more than just a home; it provides a lifestyle defined by space, privacy, & serenity. Additional amenities such as a barn/shop, new roof, & many more features add to the appeal of this picture-perfect property.
