

1. Commercial Activity. No business or business activity shall be carried out on or upon the property at any time, except for agricultural practices related to homesteading, home based businesses and equine related activities which include boarding, training and breeding. No more than (2) pigs, hogs or swine may be kept on the property at any one time. Livestock must be fenced at all times.

2. Home Restrictions. Mobile homes, manufactured homes, modular homes or tiny homes may not be used as permanent residential structures and are specifically not allowed on the property. All residential structures must contain at least 1,500 square feet of heated living area. Campers may be used as temporary residences for up to one (1) year during the construction of a primary residence by the property owner only. No building or structure may be built within 50 feet of any property line.

3. Vehicles/Disposal Yards. The property shall not be used for a junkyard or disposal yard for waste or debris. Waste or garbage shall be kept in sanitary containers and kept out of sight of the road and any neighboring lot owner. Vehicles without current, valid tags and registration must be kept in a garage.

4. Subdivisions. Lots shall not be further subdivided.

5. Wastewater. Owners shall comply with county regulations related to wastewater and the disposal thereof.
