Water Right

23-67C

IRRIGATION

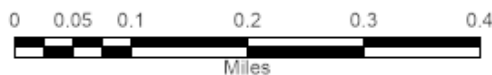

The map depicts the place of use for the water use listed above and point(s) of diversion of this right as currently derived from interpretations of the paper records and is used solely for illustrative purposes. Discrepancies between the computer representation and the permanent document file will be resolved in favor of the actual water right documents in the water right file.

The USDA-FSA Aerial Photography Field Office asks to be credited in aerial photography.
