WELCOME TO 1009 BARNES STREET

NESTLED AT THE EDGE OF A QUIET, ESTABLISHED NEIGHBORHOOD IN OPP, ALABAMA, THIS 0.38± ACRE LOT ON BARNES STREET OFFERS THE BEST OF BOTH WORLDS—PEACEFUL, SCENIC LIVING PAIRED WITH THE IMMEDIATE CONVENIENCE OF TOWN. The Covington County property sits directly adjacent to a beautiful, open pasture, treating you to sprawling views, fresh air, and a tranquil country feel right from your backyard. City utilities are already available at the site, saving you valuable time and effort on development. The existing home needs major repairs, presenting a significant project for the right visionary restorer. However, the true highlight of this property is the setting itself. For those seeking a fresh start, clearing the site would create a pristine, ready-to-build homesite framed by a gorgeous rural backdrop. This unique lot is loaded with potential, whether you choose to bring new life to the structure or start fresh with a custom build.

A camper currently on site is not included in the real estate price but is available for separate purchase.
