# WELCOME TO THE HOWARD 15

**THE HOWARD 15 OFFERS TONS OF OPTIONS—IT'S LIKE THE SWISS ARMY KNIFE OF LAND TRACTS!!** Located in the town of New Hope, Arkansas, in Howard County, the property has the remnants of an old home site with a former foundation and hand-dug water well. Several species of trees set it apart from the surrounding timbered landscape. You can easily imagine what it was like here decades ago and what it can be tomorrow. Surrounded by Weyerhaeuser Timber Company land, there is no need to worry about neighbors or structures being within sight. Electricity and rural water run down the east line along Tollett Road, which is a paved, county-maintained road. The acreage has marketable pine timber growing, making this an investment in future profits for the next owner. The area is known for an abundance of deer and other wildlife, giving the hunter a place to live and hunt.
