10 Acres with lofted cabin in Fountain County Veedersburg, IN / Fountain County

PROPERTY DESCRIPTION

10-Acre possibly once in a lifetime Hunter's Retreat in Fountain County. A rare, fully furnished lofted cabin on a private parcel where big bucks travel and the land still feels magical. 10 acres of secluded ground with a ready-to-use lofted cabin-appliances, furniture, beds, and kitchen accessories are all included. Nice set up for hunters who want a true base camp. Electricity is in, propane heat and a window AC unit are in place, and the place is staged and stocked so you can roll in and hunt. No running water or septic. Outhouse conveniently next to cabin. Step onto the covered front porch and deck, then walk into the cabin which comfortably can sleep up to 8 people. Has a dining table, sofa, kitchen area with stove and refrigerator and an additional loft space for storage. Has attached garage off back for utility vehicle and supplies. It's a practical, lived-in camp. Outdoor living is covered too: fire pit, furniture and grill that stays. The lane leading in offers that classic "picture" approach-quiet, private, and the kind of arrival that makes the place feel like yours the moment you turn in. The owner and his family have enjoyed hunting here and have the photos to prove it-nice, mature, higher-class bucks. This property hunts way bigger than its 10 acres because of the bedding cover and its location right between food sources and big timber. It's a classic travel corridor where big bucks cruise through. The trails have been kept up so you can get from one end of the property to the other easily. It's the combination of habitat, cover, and consistent movement that serious whitetail hunters look for. It is also a clean building site if you ever decide to put up something more permanent, or simply the ultimate recreational weekend property-hunt, sit by the fire, and have the acreage to yourself. Properties like this are getting harder to find. When they hit the market, they don't sit long. If you've been waiting for the one, this is worth a hard look.

DISCLAIMERS

Information in this brochure is provided solely for information purposes and does not constitute an offer to sell or advertise real estate outside the states in which broker or agent licensed. The information presented has been obtained from sources deemed to be reliable, but is not guaranteed or warranted by the agent, broker, or the sellers of these properties. This offering is subject to errors, omissions, prior sale, price change, correction or withdrawal from the market without notice. All references to age, square footage, income, expenses, acreage, carrying capacity, and land classification, etc. are approximate. Prospective buyers are chargeable with and expected to conduct their own independent investigation of the information and the property and to rely only on those results. Sellers reserve the right to accept or reject any and all offers without liability to any buyer or cooperating broker.

Maps are provided for illustration purposes only, the accuracy is not warranted. Parcels on interactive maps are not adjusted to match aerial backgrounds. This information is for reference purposes only and is not a legal document. Data maps contain errors. The seller and seller's agent are making known to all potential buyers that there may be variations between the location of the existing fence lines and the legal description of the deeded property. Seller and seller's agent make no warranties with regard to the location of the fence lines in relationship to the deeded property lines, nor does the Seller make any warranties or representations with regard to the specific acreage contained within the fenced property lines. Seller is selling the property in an "as is" condition, which includes the location of the fences as they exist. Boundaries shown on the accompanying maps are approximate, based on county parcel data. The maps are not to scale. The accuracy of the maps is not guaranteed. Prospective buyers are encouraged to verify fence lines, deeded property lines and acreages using a licensed surveyor at their own expense.
