Allen's is a large, well-established commercial property offering an exceptional opportunity in a highly desirable location in Durant. Formerly home to a long-standing furniture and appliance store, the building features expansive showroom and display areas along with ample storage space for additional inventory or a variety of future uses. Strategically located at the prominent intersection of State Highway 51 and State Highway 12, the property benefits from excellent visibility, strong traffic flow, convenient access, and direct storefront parking. Multiple storefront entrances provide exceptional flexibility, allowing a new owner to explore opportunities for diversification, including operating multiple businesses or leasing portions of the property to additional tenants. An adjacent 2,354± SF office building is also available for purchase, offering the opportunity to expand the overall footprint and further capitalize on this valuable commercial location. With a clean slate and direct access from two major state highways, the property presents numerous possibilities for redevelopment or repositioning and appears particularly well suited for a fuel and convenience store, retail center, multi-tenant commercial development, or other high-traffic business venture. This is a unique opportunity to acquire a prominent commercial property with excellent visibility, accessibility, parking, and the flexibility to accommodate a wide range of future uses.
