Bensel Basin Ranch
Hermiston, OR / Umatilla County

PROPERTY DESCRIPTION

Bensel Basin Ranch

Introduction:

Move to the heart of the Columbia Basin in an area known for its famously high productive irrigated soils that produce some of Oregon's best watermelons and specialty crops. The Bensel Basin Ranch offers an easy to maintain 38.49+/- acre developed hay farm. Features include a beautiful private drive to a gorgeous updated custom single-level home with attached garage, a massive shop, Zimmatic pivot irrigation hay fields, a featured pond, large equipment yard, small feed lot, corral system, and pasture acres. Currently the property is running approximately 15-20 pairs and producing 200-250 tons of hay annually. The property is approximately five miles North from the city of Hermiston, OR where you will find a mid-size town atmosphere with great schools, health-care services, and western shops alike. Less than 15 minutes away is the Columbia River known for a variety of recreational fishing and hunting activities. Enjoy a Saturday afternoon drive to popular nearby wineries located in both Eastern Oregon & Washington and not far from the property.

Location:

Hermiston, OR

Access:

The property is located approximately 5 miles Northeast of Hermiston, OR, along Bensel Road.

Nearby Cities include:

Pendleton, OR 32+/- Miles

Pasco, WA- 34+/- Miles

Portland, OR- 185+/- Miles

Acreage:

Total Deeded Acres : 38.5+/- Acres

Total Water Rights: 37.5 +/- Acres

Irrigated Forage Crops: 31+/- Acres

Pasture Ground: 7+/- Acres

The remaining acreage consisting of outbuildings, court yard, large yard, and a pond.

Elevation:

The elevation of the property is approximately 643 feet.

Water:

The property consists of 3 pivots. Irrigation is managed through Oregon State Water Resource. Water right certificate issued 2/29/2016, priority date 2/22/94 for use from March 1 through October 31. A new irrigation well was drilled in 2013, cased 798ft, with 60hp pump at 300GPM, set at 600ft. The well-tested 500+ GPM, Certificate allows for 210 GPM. Also in 2013, the domestic well pump was replaced, 7.5hp at 33 GPM including pipe, and set at 300ft.

Rain water is routed from the shop gutters to the pond on the property. The pond features catfish, sunfish, a new deck as well as shrubs and trees to create a nice addition to the property.

Home:

The home on the property is a beautiful custom-built one level 2,400sqft house with wraparound concrete porch, consisting of 3 bedrooms, 3 full baths, large dining room-kitchen, and office with attached 900sq ft. double garage. The Hunter brothers built the house in 2002. Since then there have been numerous improvements made to the house surround sound throughout, updated kitchen and master bath counter tops, a new furnace and heat pump with ultra violet filter, exterior and interior house paint, and new flooring in 90% of the house.

Shop:

A 6,000 Sq. Ft. "Turn-key" commercialized shop was remodeled in 2014. The shop consists of 4 heating units and shop fan exhaust system with 2 vehicle hose ventilation hose reels is a must see on the property. Complete with a 24 ft. main roll up electric door, full RV hook-up, propane heat in two corners of the main floor as well as 16 ft. electric roll up doors on north and south wings and 220V plugs on different circuits throughout provides a huge plus to the property. The shop also contains an office with a full bath, washer and dryer hook up and AC unit.

Other improvements:

2W corral 500 series system with sweep tub and self-catch chute, shade tree, electric, lighting and frost-free faucet as well as a haystack yard.

DISCLAIMERS

Information in this brochure is provided solely for information purposes and does not constitute an offer to sell or advertise real estate outside the states in which broker or agent licensed. The information presented has been obtained from sources deemed to be reliable, but is not guaranteed or warranted by the agent, broker, or the sellers of these properties. This offering is subject to errors, omissions, prior sale, price change, correction or withdrawal from the market without notice. All references to age, square footage, income, expenses, acreage, carrying capacity, and land classification, etc. are approximate. Prospective buyers are chargeable with and expected to conduct their own independent investigation of the information and the property and to rely only on those results. Sellers reserve the right to accept or reject any and all offers without liability to any buyer or cooperating broker.

Maps are provided for illustration purposes only, the accuracy is not warranted. Parcels on interactive maps are not adjusted to match aerial backgrounds. This information is for reference purposes only and is not a legal document. Data maps contain errors. The seller and seller's agent are making known to all potential buyers that there may be variations between the location of the existing fence lines and the legal description of the deeded property. Seller and seller's agent make no warranties with regard to the location of the fence lines in relationship to the deeded property lines, nor does the Seller make any warranties or representations with regard to the specific acreage contained within the fenced property lines. Seller is selling the property in an "as is" condition, which includes the location of the fences as they exist. Boundaries shown on the accompanying maps are approximate, based on county parcel data. The maps are not to scale. The accuracy of the maps is not guaranteed. Prospective buyers are encouraged to verify fence lines, deeded property lines and acreages using a licensed surveyor at their own expense.
