PROPERTY DESCRIPTION

Charming Brick Home on 1.5 Acres - Macy, IN

Welcome to 2737 E Macy Gilead Road, a solid 2-bedroom, 2-bathroom brick home sitting on 1.5 acres and offering classic character with room to make it your own. Step inside to find beautiful hardwood floors and trim throughout, an inviting original living room, plus a bonus added-on space perfect as a second living area or family room.

The kitchen features a handy pantry/walk-in closet, and the home is heated with efficient natural gas. While there's no central air currently installed, the furnace is ready for a buyer to easily add AC for year-round comfort. One bathroom offers washer/dryer hookups for added convenience, though it (along with a few other areas of the home) could use some updating - great potential for sweat equity or a quick refresh.

Outside, enjoy a durable metal roof and a nice deck off the back, ideal for relaxing or entertaining. The attached 1-car garage includes crawl space access. The 1.5 acres offer plenty of room for the outbuildings, including a 16x36 barn with an added lean-to and an old chicken barn - great for hobby farming, storage, or a workshop setup.

Please note: the chicken coop, small red shed, fencing, refrigerator, and stove are being retained by the seller unless the right offer is presented.

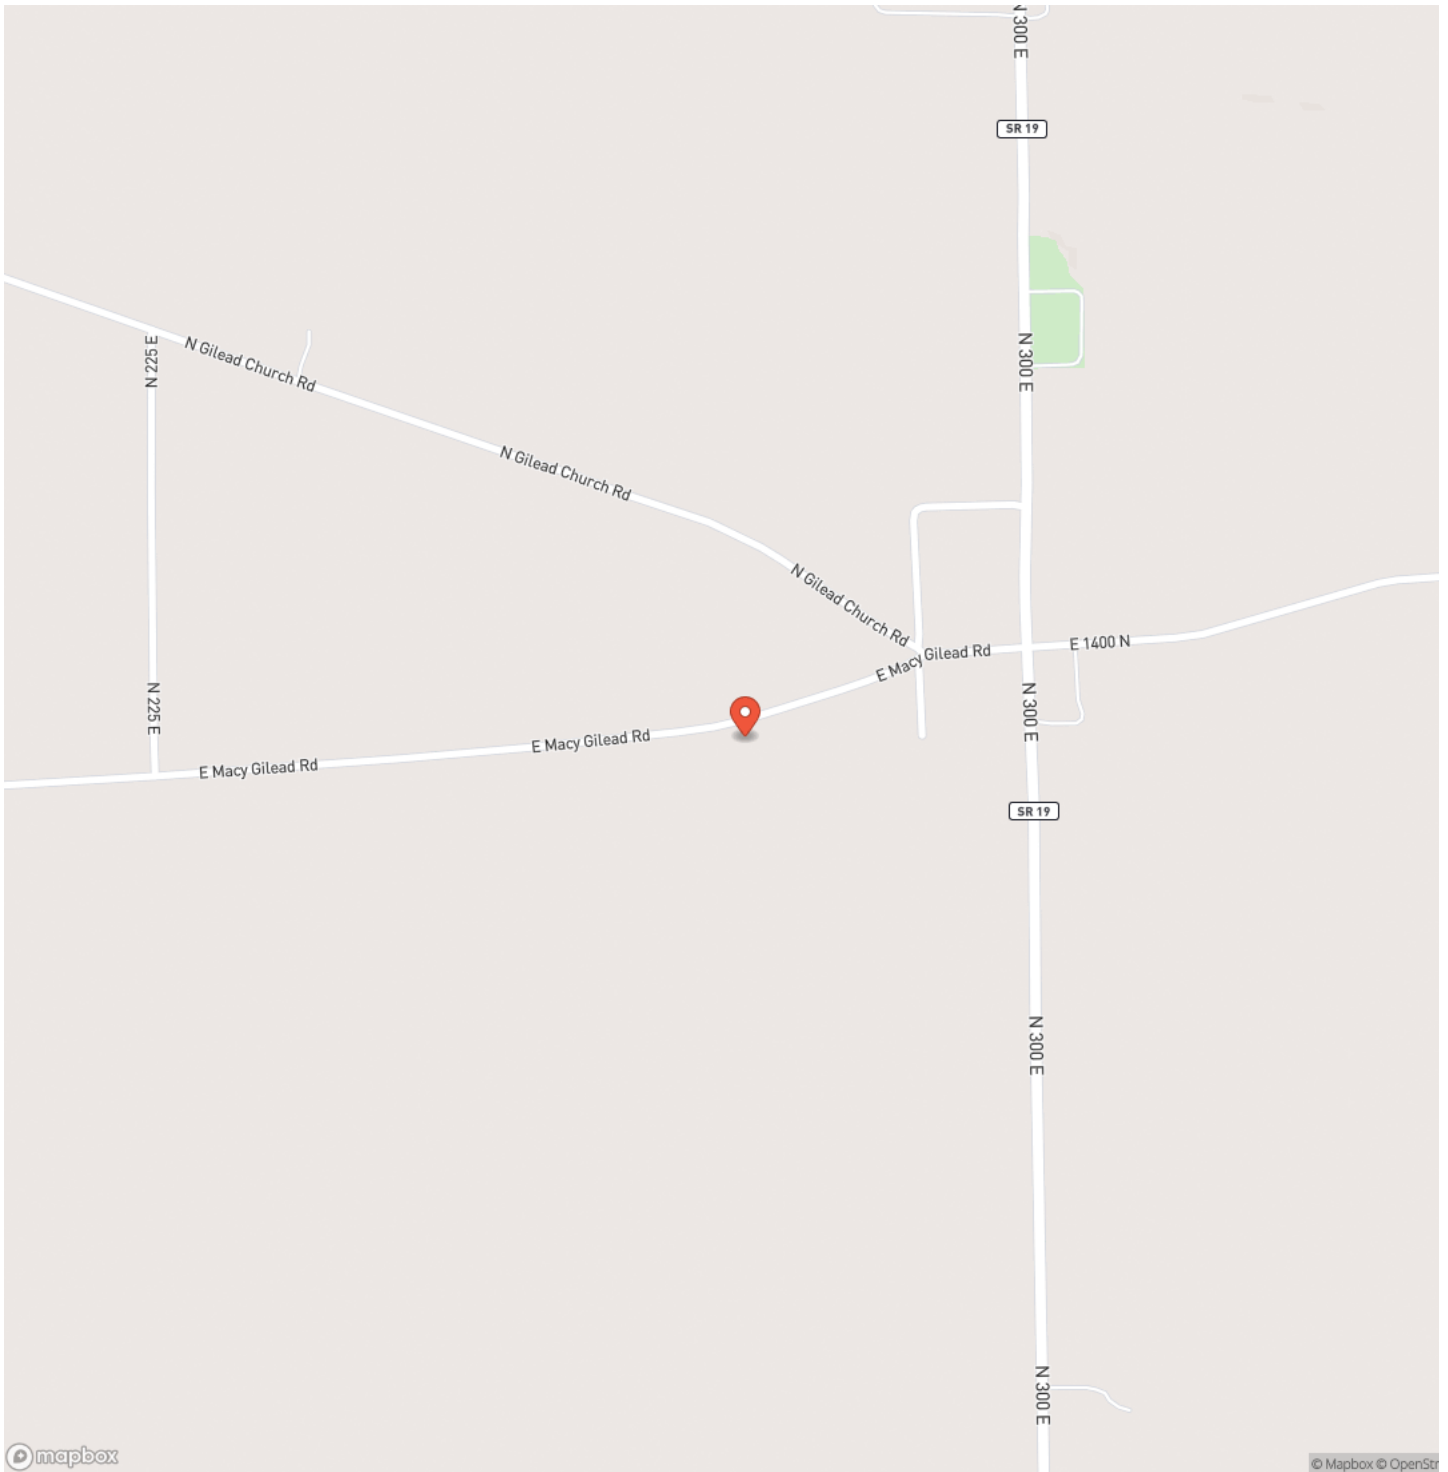

A great opportunity for buyers looking for rural charm with room to personalize on a spacious lot!
