WELCOME TO THE CALHOUN 156

WELCOME TO THE CALHOUN 156, A NORTH MISSISSIPPI TRACT THAT OFFERS EXCEPTIONAL HUNTING AND INVESTMENT POTENTIAL. Located in Calhoun County, this 156± acre property features a perfect mix of managed pine timber, hardwood creek bottoms, and gently rolling terrain. The land is well laid out with a great internal road system, providing easy access throughout. A live creek winds through the property, offering a natural water source for wildlife. Approximately 110 acres are made up of 32-year-old, well-managed pine timber that has recently been burned within the last year to promote growth and habitat health. In addition, you'll find 20± acres of mature hardwood pockets along the creek bottoms and property boundaries, ideal for deer and turkey travel corridors. A 13.5± acre cutover has been replanted in pines, ensuring future timber income and a blank canvas to incorporate a large food plot. For the hunters, there's a planted food plot already in place with three to four additional potential food plot sites ready to develop. Two wooden box stands will remain with the property, making this one a turnkey for your next hunting season.
