PROPERTY DESCRIPTION

The most amazing view in town! Enjoy breathtaking 360-degree views of the village, Caribou Hills, the Harding Icefield, Cook Inlet, and the surrounding volcanic mountain range. Perched above Ninilchik, this unique property offers incredible scenery from every direction.

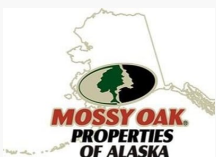

With no covenants or restrictions, you'll have the freedom to use the property as a residence, vacation getaway, or income-producing rental. The seller has spent the past 12 years making improvements and upgrades over time, creating a property full of potential and opportunity.

The main house offers 3 bedrooms, 2 bathrooms, an open-concept kitchen and living area, and a spacious front deck. A rear deck provides access to the elevator for added convenience.

The detached studio cabin includes a 3/4 bath and has been used seasonally, making it ideal for guests, an Airbnb, or additional rental income. The studio cabin features a wraparound deck perfectly positioned to capture some of the best views of Cook Inlet and the volcanic mountain range.

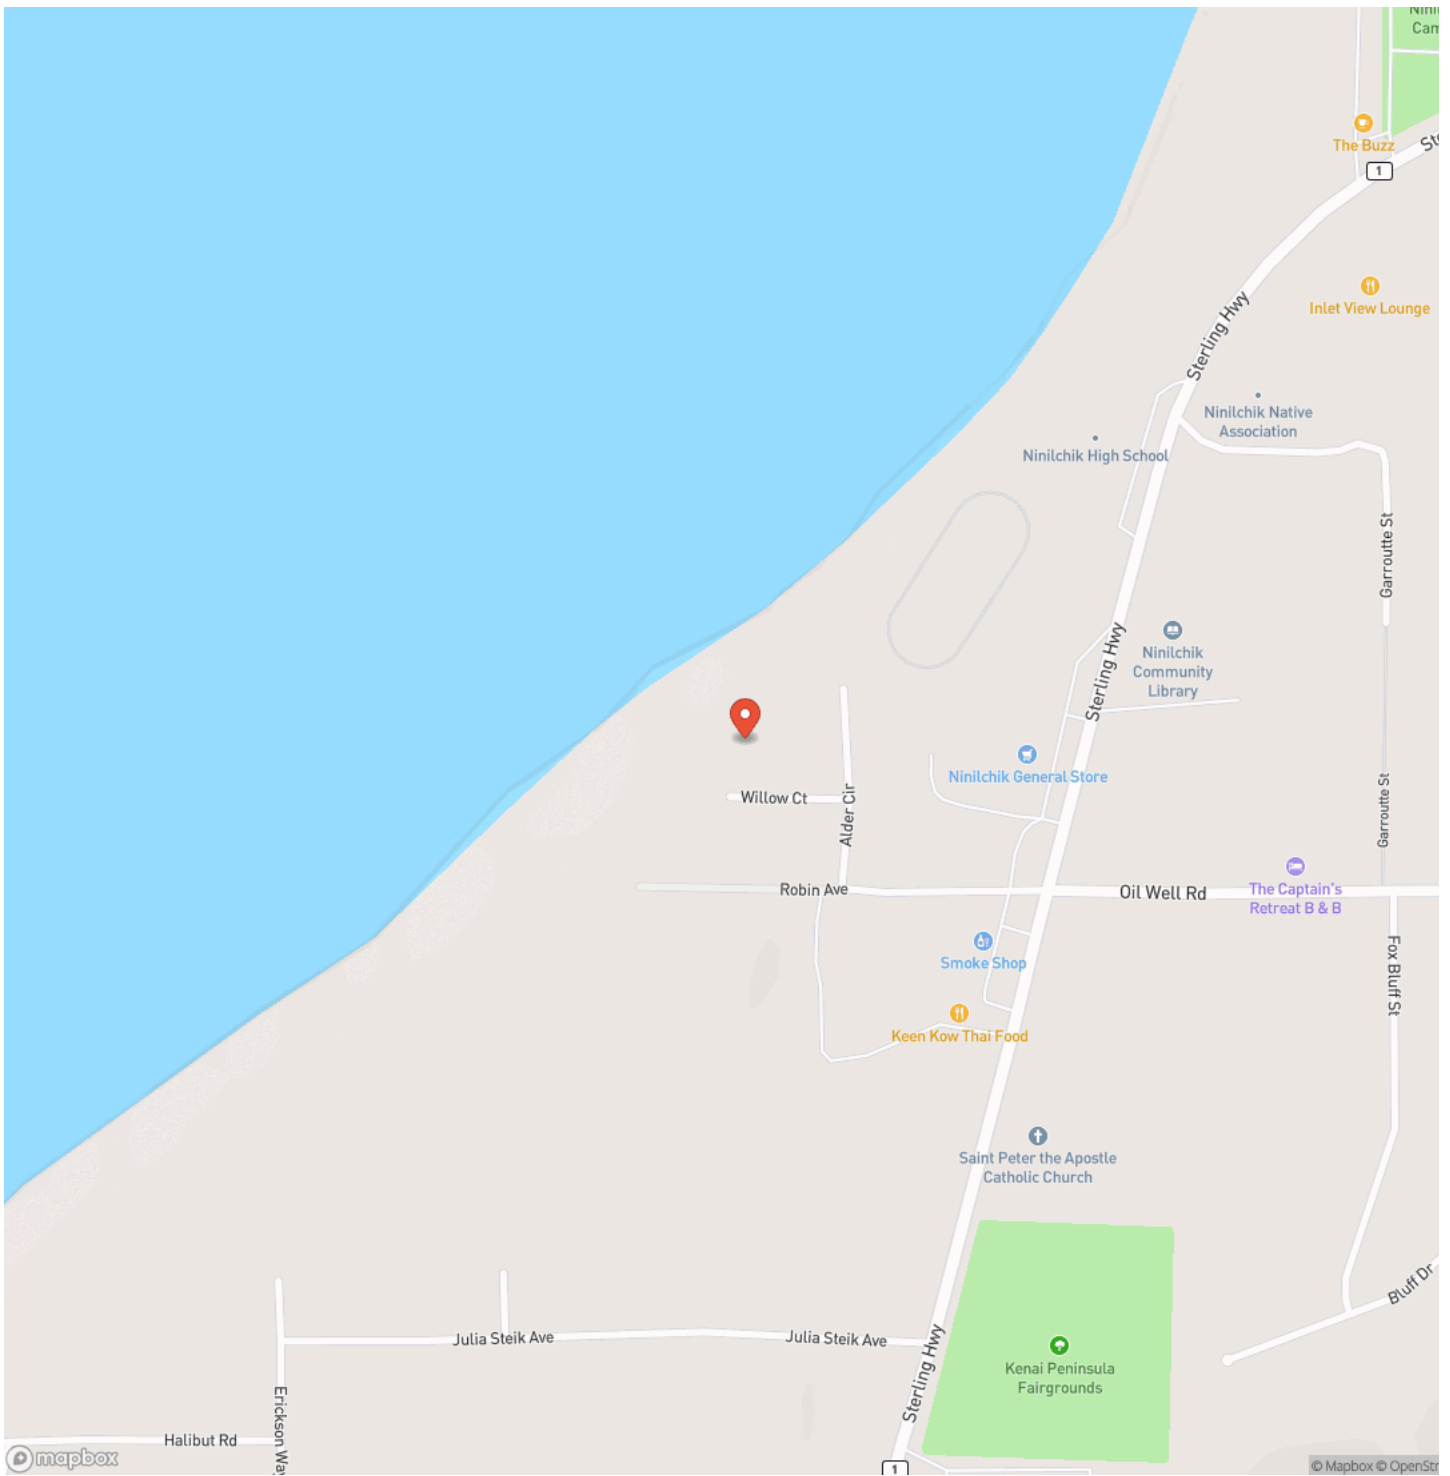

Additional amenities include a heated storage building that could benefit from some TLC but remains dry and functional, RV parking with a septic dump connection, and stairs leading to an upper lot with even more expansive views overlooking Cook Inlet and the town of Ninilchik.

Bring your tools and vision to complete this one-of-a-kind property and unlock its full potential as a home, retreat, or vacation rental destination.
