Case No. 2017 14 WR 018

NOTICE OF VIOLATION

Dear Mr. Trobaugh:

A representative from the Tennessee Department of Environment and Conservation, Division of Water Resources, has reported that there is no apparent adequate subsurface sewage disposal system (SSDS) on property located at 796 Old Highway 52 Loop in Clay County, Tennessee.

This situation constitutes a violation of the Tennessee Subsurface Sewage Disposal System Law, 68-221-401—418 *et seq.* Tennessee Code Annotated Section 68-221-406(a)(7) and regulations promulgated pursuant thereto, Rule 0400-48-01-.13(1), require a SSDS to be located, constructed and maintained in order to minimize the possibility of endangering the health and welfare of the public.

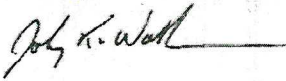

You are advised to complete the enclosed "Application for Environmental Services" and return it with the required remittance to the Clay County Department of Environment and Conservation Office, 115 Guffey Street, Celina, TN 38551, telephone number (931) 823-3010. Failure to make application within ten (10) days upon receipt of this letter will result in court action.

An evaluation of your property may result in the issuance of a permit. Upon issuance of this permit a subsurface sewage disposal system must be constructed within thirty (30) days from the date of your application. Failure to comply will result in court action.
