PROPERTY DESCRIPTION

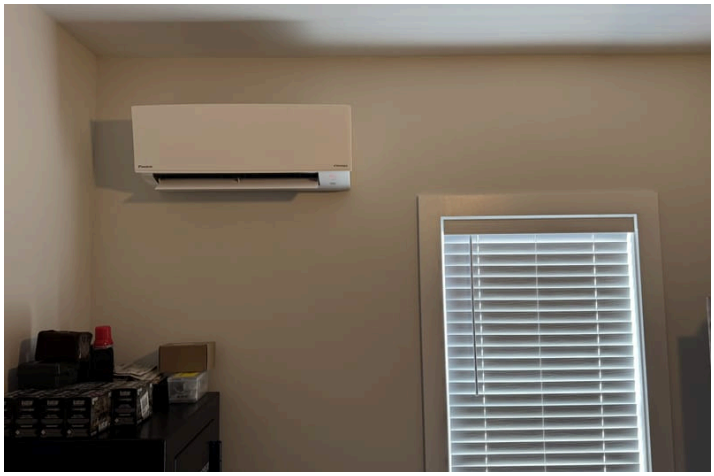

Lakeside Lodge Phase 3 offers a rare opportunity to own one of just ten new condos to be built, situated in the heart of Hyde County, a region long celebrated as a sportsmans paradise. Set in the quiet community of Fairfield, these residences place owners at the doorstep of some of the East Coasts most sought-after hunting and fishing grounds. The condos sit near the shores of Lake Mattamuskeet, North Carolinas largest natural lake, known for attracting massive numbers of migrating waterfowl each season. From early winter mornings filled with pintails, wigeon, and tundra swans to the legendary bear and deer hunting Hyde County is known for, the area provides unmatched access to world-class outdoor pursuits. These condos offer 1BR/1BA 463 heated SQFT with front porch and a back porch, low-maintenance living while keeping you close to everything that defines this regions outdoor lifestyle. Just a short drive away, the Pamlico Sound provides exceptional fishing, from red drum and speckled trout to flounder and seasonal runs that draw anglers from across the country. Whether youre returning from a successful day in the duck impoundment, a stand deep in the woods, or a skiff run across the Sound, Lakeside Lodge Phase 3 serves as the perfect home base. With only ten units available, the builder will start construction on the condos once ten deposits have been collected. This limited offering combines the appeal of modern construction with the timeless draw of Hyde Countys wild and water-rich landscape. Its an ideal retreat for sportsmen seeking a place to unwind in one of North Carolinas most remarkable outdoor destinations.
