MORE ABOUT THE HARDIN 85

For the outdoorsman, this particular farm is known for producing big whitetail deer and large flocks of turkey. Four separate fields are scattered throughout the property and will make excellent food plots. A timber thinning nearly a decade ago has allowed a thick undergrowth to produce a whitetail haven.

As a bonus, for the fishermen and water lovers, this property is located only 30 minutes from Pickwick Lake. The Hardin 85 truly has endless possibilities: a hunting paradise, a forever homeplace, you name it!
